Deep Scratch & Gouge Remover

SECTION 1

Formula:
 NFPA Hazard Class:

PRODUCT IDENTIFICATION

Proprietary
 Health 1, Flammability 0, Reactivity 0

SECTION 2

HAZARDOUS INGREDIENTS/IDENTITY INFORMATION

-Mixture is not considered a carcinogen by IARC or NTP. All components are TSCA Listed.
 -Recommended Occupational Exposure Limit, 100 Parts Per Million (8 Hour Time Weighted Average) is based upon the ACGIH recommendation for components of the same chemical family.

This mixture is believed not to contain any toxic chemicals in quantities subject to the reporting requirement of SARA (1986, Section 313, Title III), and 40 CFR 372. The exact mixture considered a trade secret.

INGREDIENTS

Dipropylene Glycol Ether	34590-94-8
Tetrapotassium Pyrophosphate	7320-34-5
Caustic Soda	1310-73-2
Coupling Agent	
Nonionic Surfactant Blend	26027-38-3

Inhalation:

Ingestion:

Emergency first aid-

Eyes:

Skin:

Inhalation:

Ingestion:

HEALTH HAZARDS & ROUTES OF EXPOSURE

Severe irritation.

Severe irritation.

May cause respiratory irritation to persons with sensitive systems.

May cause nausea or other gastro-intestinal irritations.

Flush with water for 15 minutes.

Flush with soap and water. Apply lotion to avoid or reduce chapping.

Move to area of fresh air.

Obtain medical care. Do not induce vomiting.

SECTION 7

Material is released or spilled:

Small or Large:

Waste disposal method:

Precautions to be Taken

in Handling and Storing:

Other Precautions:

Storage Requirements:

USE AN HANDLING PRECAUTIONS

Wash to sewer with water. This product is an excellent biodegradable cleaner.

Wash to sewer with water or dispose of properly in a landfill.

Store in cool dry place in sealed containers. **KEEP OUT OF REACH OF CHILDREN.**

Do not get in eyes, on skin or on clothing. Remove & wash contaminated clothing before reuse. Do not take internally. Do not use or store near heat, sparks or open flame.

30F – 110F

SECTION 8

Respiratory protection:

Ventilation (mechanical):

Protective gloves:

Eye protection:

Other:

CONTROL MEASURES

Non required if used with adequate ventilation.

Use in open space or with exhaust fan.

Solvent proof gloves.

Glasses or goggles.

Wear clothing designed to reduce or prevent skin contact.

The information and recommendation set forth herein are presented in good faith and believed to be correct and reliable.
